

Todd is not a script flipper, nor does he have the highly emotional, turnaround story that some do. But what Todd does carry is the example of what it means to be an incredible dad that does the right thing day in and day out. He provides for his children. He gives them security by loving and respecting their mother. He serves his family and considers it a joy to do so. The tributes paid by Todd's wife and three daughters leave no doubt that he continues to be a great husband and father. In one word, Todd Walker shows us what it means to be consistent. Day in and day out. Rain or Shine. Consistent. During his interview, Todd shares a clip about the importance of the kids seeing that dad loves mom! The short clip has impacted thousands of people and has been viewed over 115,000 times.
